

# Vacuum Packaging Machine with Profi Line Chamber HN201435

## Product Features:

|                                             |                                               |                                    |
|---------------------------------------------|-----------------------------------------------|------------------------------------|
| <b>Food :</b> 230-v                         | <b>Type of Machine :</b> aspiration-to-cloche | <b>Length (mm) :</b> 367           |
| <b>Depth (mm) :</b> 425                     | <b>Height (mm) :</b> 364                      | <b>Weight (kg) :</b> 23,83         |
| <b>Power (W) :</b> 950                      | <b>Subject :</b> stainless-steel              | <b>Welding Rod Size (mm) :</b> 300 |
| <b>Gas Interconnection Option :</b> without |                                               |                                    |

## Informations Logistiques :

|                         |                            |                         |
|-------------------------|----------------------------|-------------------------|
| <b>Largeur :</b> 470 mm | <b>Profondeur :</b> 540 mm | <b>Hauteur :</b> 460 mm |
|-------------------------|----------------------------|-------------------------|
